

Eco-Rangers Action Plan

Eco-Schools Topic: Waste

Aim: To reduce the amount of waste produced at Greatwood that will end in 'landfill'

Action(s):

- Whole School Assembly on Plastic and reducing waste at Greatwood.
- Children and staff to write suggestions

- Purchase recycling bins for school hall and staffroom

How long will it take?

Spring Term 2 to implement

Who is responsible?

Eco Rangers will lead with support from Mrs Yeoman

How we will monitor progress:

Speak to children about plastic waste before introducing in an Assembly. Monitor how much waste is being recycled every week

Evaluation:

Eco-Schools Topic: Litter

Aim: To reduce the amount of litter on school grounds over a period of time.

Action(s):

- Purchase Litter picking equipment

- Weekly litter picking sessions

How long will it take?

Weekly

Who is responsible?

All children in school, Eco Rangers will pick litter weekly

How we will monitor progress:

We will count how many bags of litter are collected in our weekly picks. This will be monitored.

Evaluation:
