

Welcome back to the new school year! It's great to see everyone after the summer break. I am looking forward to the coming weeks when we are going to be very busy learning about the many ways we can keep healthy and where food comes from. This will be our theme until October half term.

Curriculum

English: We will be writing stories, fact-files, poems, and recipes along with learning spellings and regular reading practice.

Maths: Our focus will be on place value and addition and subtraction

Science: We will be learning about ways to keep healthy in the unit of work 'Animals including Humans, Diet and Health'

Computing: The children will be learning how to create a simple spreadsheet with Mr Finch

Geography: We will learn about the journey of food

PE: Our lessons with Mrs Hoggarth will cover a range of ball skills including tennis

RE: Children will learn about different ways to care for our World and one another along with why this matters

Art/DT: Drawing, painting and colour mixing will be undertaken alongside preparing and cooking a range of recipes

Music: we will be exploring sound and beat in music as well as singing a range of songs

PSHE: Being Me In My World

PE

Our lessons will be every Monday afternoon. Please make sure your child has a full kit in school including pumps as PE will be outdoors where possible. Earrings should ideally be removed at home otherwise please provide some tape so they can be taped over for safety reasons.

PACT Books

Please check these regularly for notices and information and use the back to record the reading practice your child completes at home. If you write a message in there for us please tell your child to show it to me at the start of the day.

Water Bottles

Please could I ask all parents to send their child to school each day with a filled water bottle. As there is no sink in our classroom this will ensure they have quick access at all times to a refreshing drink.
